

The Actuarial Profession

Student Consultative Committee

Progress on discussions at meetings 19.11.04 – 09.11.07

Action points

19.11.04

Strategy

Should CA1 have 2 papers on same day

Education Committee discussed again and agreed that the two papers will be on different days from April 2009.

13.05.05

Use of dictionaries

Considered by the Education Committee and rejected.

Timing of exam diets

This is a constant issue due to religious festivals, holidays, etc., in different parts of the world and to peaks and workloads for different practice areas.
Discussed again and date changes to be implemented from April 2009

CA1

Focus review groups held and outcomes discussed with ActEd with regard to teaching material leading to a review of content and teaching approach.

GPs and time to complete exams

The comments have been added to the instructions for guinea pigs to try to ensure papers are capable of being completed in the time allowed.

11.11.05

Subject allocation

Subject allocation changes have been made to reflect student comments.

26.05.06

Exam permits

Move to email issue of exam permits as soon as IT system able.

Exam pattern

Agreed to switch ST2 and ST5 in the format and to have the empty pm slot on Day 10 each diet thus ST4 would always be on Day 5 pm.

03.11.06

**Exam dates
WBS**

Student comments on exam dates added to feedback received.
Comments on Work Based Skills to be fed into review process.

01.06.07

**CA3
Calculators**

Student comments on proposed CA3 changes passed to Education Committee.
Student comments on list of approved calculators passed to Education Committee for a further review.

09.11.07

Desk size

Exam centres would be reminded of the minimum size desk required for examinations.

WBS

The Work based skills consultation document circulated to employers would also be sent to the Committee for information.
