## **I.C.A. GUIDANCE NOTE WORKING PARTY**

### **What are we doing?**

- Investigate whether or not the Institute should publish professional guidance to support actuaries in the fields of capital modelling and/or ICA submissions
- If yes, show what form this guidance should take
- Report back to the G.I. Board

## **I.C.A. GUIDANCE NOTE WORKING PARTY**

### **Progress to date**

- WP putting the case in favour of publishing guidance – maintenance of standards
- Twofold structure:
  - (1) Guidance Note approx 8 pages long:
    - building on (new) GN12
    - items you should report on
  - (2) Advisory Note approx 40-50 pages long:
    - approaches to your work, issues you should consider
- Above output still to be debated by the G.I. Board
