

SAVE-THE-DATE – 2017 Joint Seminar: Property Insurance **BUILDING TOMORROW BY ADAPTING TODAY**

Greetings to all our ASM members, and insurance practitioners around the region,

Continuing the success from prior years, the Actuarial Society of Malaysia (ASM), the Casualty Actuarial Society (CAS), the Actuaries Institute of Australia (IAAus), and the Institute and Faculty of Actuaries (IFoA) are joining forces to provide a focused two-day seminar for general insurance actuaries and other insurance practitioners in the region. This year's Joint General Insurance Actuarial Seminar will take place in Kuala Lumpur, Malaysia during 11 and 12 December 2017.

The main theme of the seminar is Property / Fire Insurance (and Takaful). The seminar is designed to be attractive to a wide range of audiences from university students to experienced professionals, with a focus on emerging issues, new solutions, and innovation.

Date: 11 – 12 December 2017

Venue: Sasana Kijang

2, Jalan Dato' Onn, 50480 Kuala Lumpur, Malaysia.

Price:	ASM/CAS/IAAus/IFoA members	RM 750
	Non-ASM/CAS/IAAus/IFoA members	RM 950
	Students (limited, first come first served)	RM 200

CPD hours are applicable!

This year's programme comprises an excellent mix of presenters and panel discussion members from the senior management, academic, corporate, consulting and regulatory backgrounds, including the following:

- Mr Gary Hoo, President, ASM
- Mr Yoon Yew Khuen, Director of Insurance Development, BNM
- Dato' Sri Mohamed Hassan Md. Kamil, Group CEO, Syarikat Takaful Malaysia Berhad
- Mr Chua Seck Guan, CEO and Executive Director, MSIG Insurance (Malaysia) Bhd
- Mr Fazlur Azmi bin Abdul Malek, Chief Underwriter for General Insurance and Takaful, Etiqa Group
- Mr Mahendran Samiappan, CEO, Insurance Services Malaysia
- Mr Brian Brown, President, CAS
- Mr Jim Guszczka, Chief Data Scientist, Deloitte Consulting

...and many more!

Seminar participants will also be given the opportunity to take part in an **optional field trip** (limited, first come first served) to the SMART Control Centre on 13 December 2017 (9.30am – 12.00pm). This visit is aimed at broadening participants' understanding in relation to one of the major flood control measures in Kuala Lumpur.

Stay tuned for more information and the registration details!
