2006 to 2013 – international projects

10

The good

- A well-paid working holiday
- A new way of life and new people
- Lots of sport
- Good food
- Applicability of the UK actuarial education
- Business and career opportunities

11

The challenges

- Cultural barriers can be difficult to overcome in some countries
- Language barriers
- Learning new regulations
- Being 'homeless'
- Frequent house moves

The good far outweighs the challenges!
