

The Actuarial Profession
making financial sense of the future

Pricing long-tail excess of loss reinsurance

31st Annual GIRO Convention

12-15 October 2004
Hotel Europe
Killarney, Ireland

Workshop

Mark Cockroft; Lane Clark & Peacock LLP
Catherine Cernesson; ACE Tempest Re
Reeken Patel; PricewaterhouseCoopers LLP

The Actuarial Profession
making financial sense of the future

Plan

- Summarise the paper and highlight some key areas
- Focus area (1): parameter risk
- Focus area (2): using public data to construct a rating strength index
- Open forum on current issues
