

Institute  
and Faculty  
of Actuaries

## **Risk Management Education, Continuing Professional Development (CPD), Career Support and Development Subcommittee Terms of Reference**

### **CPD and non-syllabus risk education**

- CPD events [one day/networking etc]
- Collaboration and contribution to the risk strand of the annual conference
- Engagement with the Actuary on articles [to report back to the Board]
- Maintaining reading lists and highlighting relevant articles [online resource]

### **Education (syllabus based)**

- Work with the Education Board and Education Actuary to ensure that the education syllabus reflects the needs of the risk management practice area
  - Keep the ST9 syllabus and Core Reading up-to-date and relevant for ERM actuaries of the future (delegated to the ST9 Syllabus Review Group, with oversight by the ECPD committee)
  - Monitor the risk management content of the rest of the syllabus, particularly CA1, to ensure that all actuaries have adequate risk management training
- Support and develop the CERA qualification
  - Ensure that the IFoA maintains its accreditation of the CERA qualification
  - Provide input to the development of the CERA Seminar
  - Provide support to ensure the ongoing provision of the ST9 examination and CERA Seminar
  - Support the marketing and promotion of the qualification [led by Dawn McIntosh]
