Professional Development and Responsibility (PDR): In addition to the traditional volunteer roles and tasks which our members undertake each year, there are also a number of other opportunities whereby members can offer to provide 'paid' support for a fixed service. These opportunities are not by definition, 'volunteering' roles. However, we recognise that the fee paid is nominal and we, as a profession, are therefore extremely grateful to, and reliant on, those members who provide this service to enhance and develop our profession.
