"Wider fields"

- Some of the opportunities might look like
- Food for thought
Getting going might be easier than you think

After qualifying as a “Pensions” Actuary....

– Healthcare
– Business Development
– Marks and Spencer FS
– KPMG Consulting
– Banking

Food for thought

1. Compete on a broad skill set
   Leadership, project management, people skills
2. The “actuarial premium” doesn’t apply in wider fields
3. Consider the opportunities within your own firm
   The “what” and the “how”

Maintain your network and keep managing your career
