What should a strategy for the Profession include?

- 1. **Speak out** as a profession
- 2. Be **relevant internationally**
- 3. Provide relevant **educational support**
- 4. provide relevant **support to match needs**
- 5. engender a **sense of community**
Worldwide Actuarial Community
Member Support – Hitting the Mark

I like to go out into the community and mingle with the people.
“It is not the strongest of the species that survives, nor the most intelligent. It is the one that is the most adaptable to change”

Charles Darwin
