

THE

Royal Charter of Incorporation

OF THE

INSTITUTE OF ACTUARIES

Dated 29 July 1884 and amended by variation allowed by Order in Council dated 9 June 2010.

Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith

TO ALL TO WHOM THESE PRESENTS SHALL COME GREETING

WHEREAS an humble Petition has been presented to Us in Our Council by THOMAS BOND SPRAGUE, MARCUS NATHAN ADLER, GEORGE WILLIAM BERRIDGE, CHARLES JOHN BUNYON, and RALPH PRICE HARDY, setting forth to the effect following:

That the Petitioner THOMAS BOND SPRAGUE is the President, and the Petitioners MARCUS NATHAN ADLER, GEORGE WILLIAM BERRIDGE, CHARLES JOHN BUNYON, and RALPH PRICE HARDY are the Vice- Presidents of an Association established in London in One thousand eight hundred and forty-eight called the Institute of Actuaries of Great Britain and Ireland.

That the Institute of Actuaries was established for the objects following, that is to say:

- (a) For the purpose of elevating the attainments and status and promoting the general efficiency of all who are engaged in occupations connected with the pursuits of an Actuary.*
 - (b) For the extension and improvement of the data and methods of the science which has its origin in the application of the doctrine of probabilities to the affairs of life, and from which life assurance annuity reversionary interest and other analogous institutions including Friendly Societies derive their principles of operation.*
 - (c) The consideration of all monetary questions involving separately or in combination the Mathematical doctrine of probabilities and the principles of interest.*
-

That the Profession of Actuary is one requiring a wide and varied training in respect of the frequent employment of its Members in the several capacities of Expert Witnesses, Valuers and Advisers in matters relating to financial questions, particularly in reference to those numerous and important questions involving the scientific application of the doctrine of probabilities and the principles of interest.

That the Profession of Actuary is one which has already imposed upon it by various Acts of Parliament more particularly by the Life Assurance Companies Act 1870 and by the Friendly Societies Act 1875 and previous Act relating to Friendly Societies specific and important duties.

That the representative character of the Institute of Actuaries and the position which its Members occupy in relation to Public interests have been already recognized in the ways following:

- (a) In the year One thousand eight hundred and fifty-two the then Registrar of Friendly Societies consulted the Institute as to the preparation of Sickness and Mortality Tables from the Quinquennial Sickness and Mortality Returns made by Registered Friendly Societies under the Friendly Societies Act then in force.*
- (b) In the year One thousand eight hundred and seventy-one the Board of Trade consulted the Institute with reference to the proper method of carrying out some of the details of the Life Assurance Companies Act 1870.*
- (c) In the year One thousand eight hundred and seventy-four the then Chancellor of the Exchequer consulted the Institute with reference to certain provisions to be inserted in the Friendly Societies Act which was passed in the year One thousand eight hundred and seventy-five, and also with reference to the preparation of Tables for Friendly Societies.*

That the profession of Actuary is one to which important matters are frequently referred by the Chancery Division of the High Court of Justice and other Legal and Administrative Departments of the State.

That the Institute of Actuaries aims at improving the status of Actuaries, providing means of Professional training and the interchange and dissemination of practical information thereby securing the better discharge of duties affecting interests of great importance.

That the Institute of Actuaries has already collected and published extensive data relating to Mortality Statistics and has also caused to be calculated therefrom and published various monetary Tables which have been largely adopted by the Life Assurance Institutions of this and other countries.

That the Institute of Actuaries has already by means of its published transactions known by the name of the Journal of the Institute of Actuaries and Assurance Magazine which in greater part consists of contributions from its own members during the last thirty-two years disseminated valuable information theoretical and practical with the result of constituting the said Journal the leading source of information in this and other countries on matters relating to the Profession of Actuaries.

That the Institute of Actuaries has already caused to be written and published for the use of the Profession of Actuaries and others, a Text-Book of the Principles of Interest including Annuities-Certain constituting the first part of a complete Treatise on Actuarial Science.

That the Institute of Actuaries has already by means of the important educational functions and system of examinations with which it has charged itself during the last thirty-two years including the establishment and superintendence of classes of instruction conducted by persons appointed by the Institute largely contributed to the better discharge of duties affecting interests of great importance.

That the Petitioners are advised and believe that the incorporation of the Members of the Institute of Actuaries under Our Royal Charter would tend greatly to the attainment of the objects which it has in view and would be fruitful of public advantage by enabling the Institute to take more effective measures for securing the adequate training of Actuaries in the duties of their calling and by according to the Institute a position by means of which it would be better able to exercise an influence towards maintaining a high standard of usefulness among the Members of the Profession.

That the Members of the Institute do not and cannot under its Bye-laws and Constitution derive any pecuniary benefit from their Membership.

AND WHEREAS by the said Petition, the Petitioners on behalf of themselves and the other Members of the said Institute of Actuaries most humbly prayed that We would be graciously pleased to grant Our Royal Charter for incorporating the Petitioners and others under the title of the Institute of Actuaries or such other title as to Us might seem fit, and with all such powers and privileges as to Us might seem fit.

AND WHEREAS the following persons namely: CHARLES ANSELL, GRIFFITH DAVIES, EDWARD DOCKER, HAROLD ENGELBACH, RICHARD CHARLES FISHER, JOHN GODDARD, FREDERICK HENDRIKS, JOHN ADAMS HIGHAM, SAMUEL INGALL, CHARLES MCCABE, JOHN GEORGE PRIESTLEY, JOHN WARE STEPHENSON, CHARLES STEVENS, WILLIAM HENRY TYNDALL, THOMAS BOORMAN WINSER, being Members of a collective body established in the year One thousand eight hundred and forty-eight under the name of The Actuaries' Club, and exercising the calling or Profession of Actuary, are desirous of becoming entitled to such privileges as may arise from the incorporation of the Members of the Institute of Actuaries under Our Royal Charter.

NOW THEREFORE, We having taken the said Petition into Our Royal consideration in Our Council and being satisfied that the intentions of the Petitioners are laudable and deserving of encouragement Have constituted, erected and incorporated and We by Our Prerogative Royal and of Our especial

3. General Provisions of these Schemes

General

- 3.1 Provisions of these Schemes shall form part of the Bye-laws and may be rescinded, varied or added to accordingly.

Pre-Hearing Matters

- 3.2 An Interim Orders Panel, Adjudication Panel, Disciplinary Tribunal Panel, Capacity for Membership Panel or Appeals Tribunal Panel (or the Chair of any such Panel) or the Convener of Adjudication Panels may at their discretion suspend an investigation and/or any proceedings under these Schemes. Before deciding to suspend such investigation or proceedings, the said Panel or Convener must be satisfied that the Respondent has been accorded a reasonable opportunity to make submissions in relation to the application to suspend proceedings, and shall consider any such submissions made by the Respondent. Any such Panel or Chair, or the Convener of Adjudication Panels, may, on the application of either Party, direct that a suspended investigation is resumed.
- 3.3 Any notice or other document required by any provision of these Schemes to be given or sent to a Party may be sent by pre-paid post addressed to her/him at her/his address notified to the Institute and Faculty of Actuaries for communications, or, if the Institute and Faculty of Actuaries is aware that this address is no longer current for her/him, to her/his usual or last known place of business or residence. Service of any notice or document shall be deemed to have been effected at the end of 48 hours from the time of posting, and in proving that a document was so sent it shall be sufficient to prove that the cover containing it was properly addressed, stamped and posted.

Hearings

- 3.4 At any hearing of an Interim Orders Panel, a Disciplinary Tribunal Panel (including any procedural hearing before the Chair), a Capacity for Membership Panel or an Appeal Tribunal Panel, the Respondent may be:
- (a) represented by a solicitor, barrister or advocate, or another Member or such other person as the Chair of the relevant panel may agree, provided that this does not unreasonably delay any such hearing; and

- (b) accompanied by a friend or member of her/his family, or by another Member, but the accompanying person may remain during any private session of the relevant panel only with the agreement of the panel.
- 3.5 An Interim Orders Panel, an Adjudication Panel, a Disciplinary Tribunal Panel, a Capacity for Membership Panel and an Appeal Tribunal Panel (or the Chair of such Panel as the case may be) may give all such directions with regard to the conduct of and procedure at meetings or hearings as it considers most suitable for the clarification of the issues and generally for the just handling of the proceedings before it. This includes the power to vary the time limits set out in these Schemes and to adjourn any meeting or hearing. Any such Panel or Chair shall at their discretion be entitled to accept written undertakings from the Respondent.
- 3.6 Provided that an Interim Orders Panel, a Disciplinary Tribunal Panel, a Capacity for Membership Panel or an Appeal Tribunal Panel is satisfied that the Respondent has been given reasonable notice of a hearing, the proceedings of that body shall be valid and of full effect even if the Respondent does not attend, is not represented or does not state her/his case.
- 3.7 All documents put before an Interim Orders Panel, an Adjudication Panel, a Disciplinary Tribunal Panel, a Capacity for Membership Panel or an Appeal Tribunal Panel shall be deemed to be authentic. If a Party challenges the authenticity of any document the relevant body shall consider the objections raised by such Party (and any evidence raised in rebuttal), and shall, on the basis of such representations, give the evidence contained in such document such weight as it thinks fit.

SECTION II – DISCIPLINARY SCHEME

4. General

Misconduct

- 4.1 A Member shall be liable to disciplinary action under the Disciplinary Scheme if she/he has been guilty of Misconduct.
- 4.2 For the purposes of the Disciplinary Scheme, Misconduct means any conduct by a Member, whether committed in the United Kingdom or elsewhere, in the course of carrying out professional duties or otherwise, constituting failure by that Member to comply with the standards of behaviour, integrity, competence or professional judgement which other Members or the public might reasonably expect of a Member having regard to the Bye-laws of the Institute and Faculty of Actuaries and/or to any code, standards, advice, guidance, memorandum or statement on professional conduct, practice or duties which may be given and published by the Institute and Faculty of Actuaries and/or, for so long as there is a relevant Memorandum of Understanding in force, by the FRC (including by the former Board for Actuarial Standards) in terms thereof, and to all other relevant circumstances.
- 4.3 Misconduct may include any conduct which occurred either before or after the Respondent became a Member save that conduct which was disclosed in writing to the Institute and Faculty of Actuaries by the Respondent prior to being admitted as a Member shall not be Misconduct for the purposes of the Disciplinary Scheme.
- 4.4 References to the Respondent shall include a former Member who has resigned or has ceased to be a Member for any reason since the time of the conduct in respect of which an Allegation is made. Any such former Member shall remain bound to supply such information and explanations as may be required by an Investigation Actuary, a Disciplinary Tribunal Panel or an Appeal Tribunal Panel regarding her/his conduct and shall remain bound by any determinations of a Disciplinary Tribunal Panel or an Appeal Tribunal Panel or any determination of an Adjudication Panel which is the subject of an agreement under rule 6.10 in respect of any Misconduct committed notwithstanding that her/his membership has ceased.
-

- 4.5 A Member may be liable for Misconduct:
- (a) where a person with whom she/he is connected is guilty of conduct which if committed by the Member would have amounted to Misconduct and either:
 - (i) any act, omission or behaviour by the Member has caused or contributed to such conduct; or
 - (ii) following her/his becoming aware of any such conduct, the Member does not take such action as other Members might reasonably expect her/him to take in the circumstances; or
 - (b) notwithstanding that other proceedings may be taken against the Member or any firm of which she/he is a partner, any body corporate of which she/he is a director, employee or controller (within the meaning of section 422 of the Financial Services and Markets Act 2000 or any amendment or re-enactment thereof), or any person employed by her/him or by any such firm or body corporate.
- 4.6 For the purposes of rule 4.5 and without limitation, a Member shall be deemed to be connected with:
- (a) his employer or employee;
 - (b) any director or employee of a body corporate of which she/he is a director or employee; and
 - (c) any member or employee of a partnership of which she/he is a member or employee.

Proof of certain matters

- 4.7 The failure by a Respondent to comply with an undertaking accepted under rule 5.11(d) shall amount to *prima facie* evidence of Misconduct. Evidence of such non-compliance may be referred, on the application of the Case Manager, for the consideration, as the case may be, of the Adjudication Panel, Interim Orders Panel, Disciplinary Tribunal Panel or Appeals Tribunal Panel by whom the undertaking is accepted. Such Panel shall be recalled for this purpose (but may be of new composition) and, in considering such evidence, such Panel shall take such steps as it shall see fit and shall have available to it all of the powers, including powers of sanction, otherwise available to it under the Disciplinary Scheme.
- 4.8 For the purposes of the Disciplinary Scheme it shall amount to conclusive evidence of Misconduct that a Member has been subject to an adverse disciplinary determination by her/his nominated Primary Professional Regulator. For the purposes of this provision, a disciplinary determination means a disciplinary determination which is final within the terms of the disciplinary scheme of that Primary Professional Regulator.
- 4.9 For the purposes of the Disciplinary Scheme it shall amount to *prima facie* evidence of Misconduct that:
- (a) a Respondent has in any civil proceedings before a Court of competent jurisdiction in the United Kingdom or elsewhere been found to have acted fraudulently or dishonestly; and/or
 - (b) a Respondent has, before a Court of competent jurisdiction in the United Kingdom, been convicted of an indictable offence, or has, before a Court elsewhere, been convicted of an offence which would have been indictable had the offence been prosecuted before a Court in the United Kingdom.
- 4.10 The fact that a Member:
- (a) has by a court of competent jurisdiction in the United Kingdom or elsewhere been convicted of a criminal offence; and/or
 - (b) has been the subject of an adverse final determination by a regulatory body in exercise of
-

functions conferred by any of the following Acts, as from time to time amended, and/or any successor legislation to these Acts: the Financial Services Act 1986, the Financial Services and Markets Act 2000, the Insolvency Act 1986, the Companies Act 1989, the Companies Act 2006, the Pensions Act 1995, the Pensions Act 2004; and/or

- (c) has been the subject of an adverse final determination by an actuarial regulatory body which is a full member of the International Actuarial Association; and/or
- (d) has had a disqualification order made against her/him under any of the following Acts, as from time to time amended, and/or any successor legislation to these Acts: the Company Directors Disqualification Act 1986 and/or the Pension Schemes Act 1993; and/or
- (e) has been the subject of a judgement or determination arising from civil proceedings before a court of competent jurisdiction in the United Kingdom or elsewhere;

shall for the purposes of the Disciplinary Scheme be treated as conclusive evidence of the findings of fact upon which the conviction, determination, judgement or disqualification order is based.

- 4.11 The fact that a Member has been the subject of an adverse final determination by a regulatory body of competent jurisdiction in the UK or elsewhere, other than a determination to which rule 4.10 applies, shall for the purposes of the Disciplinary Scheme be treated as *prima facie* evidence of the findings of fact upon which the determination is based.
- 4.12 In a hearing before a Disciplinary Tribunal Panel that involves the decision of a court or tribunal that relates to the Respondent:
 - (a) the fact that the Respondent has been convicted of a criminal offence may be proved by producing a certified copy of the certificate of conviction relating to the offence;
 - (b) the finding and sentence of any tribunal exercising a professional disciplinary jurisdiction may be proved by producing a certified record of the finding and sentence; and
 - (c) the judgement of any civil court may be proved by producing a certified copy of the judgement.

Liability for disciplinary proceedings under the FRC Scheme

- 4.13 All Members shall be liable to disciplinary proceedings under the FRC Scheme on the grounds set out in the FRC Scheme, irrespective of whether the act of misconduct upon which such proceedings are based took place before or after the commencement of the FRC Scheme.
- 4.14 Part 13 of the Disciplinary Scheme makes further provision in relation to the FRC Scheme.

Members' duty to co-operate

- 4.15 Every Member has, at all times, a duty to co-operate fully with any investigation, process or procedure under the Disciplinary Scheme. This duty includes providing such written or oral information and/or evidence as may be required by the Case Manager or Investigation Actuary under rule 5.11.
 - 4.16 Every Member has a duty to disclose promptly to the Institute and Faculty of Actuaries any conviction, adverse finding, judgement or determination or disqualification order of a type referred to in rules 4.8, 4.9, 4.10 or 4.11, to which she/he is subject.
 - 4.17 Members working for the same employer as a Respondent under the Disciplinary Scheme shall be obliged to co-operate in the implementation of any sanction which is binding upon the Respondent under the Disciplinary Scheme.
 - 4.18 Nothing in the Disciplinary Scheme, including rule 4.15, shall mean that a Member, including a Respondent, shall be required to produce any document or information which is the subject of legal professional privilege or which might tend to incriminate her/him or
-

expose her/him to criminal penalties.

- 4.19 The failure to comply with rule 4.15 and/or rule 4.16 shall amount to *prima facie* evidence of Misconduct. For the avoidance of doubt, rules 4.15 and rule 4.16 apply to any former Member whose conduct, at the date that their membership of the Institute and Faculty of Actuaries ceased, was subject to disciplinary proceedings under the Disciplinary Scheme.

Disclosure of information under the Disciplinary Scheme

- 4.20 The Institute and Faculty of Actuaries may disclose to any of the following bodies such information as it sees fit in relation to any Allegation, referral, investigation, hearing or procedure under the Disciplinary Scheme, for the purpose of assisting that body in properly undertaking its regulatory functions:
- (a) any regulatory body to whom functions are conferred by any of the following Acts, as they may be amended from time to time, and/or any successor legislation to these Acts: the Financial Services Act 1986, the Financial Services and Markets Act 2000, the Insolvency Act 1986, the Companies Act 1989, the Companies Act 2006, the Pensions Act 1995, the Pensions Act 2004;
 - (b) any overseas actuarial professional regulatory body which is a full member of the International Actuarial Association;
 - (c) the FRC.

Miscellaneous Provisions

- 4.21 Subject to rule 13.15, where, having regard to the interests of the public and/or of the Institute and Faculty of Actuaries, any Executive Officer of the Institute and Faculty of Actuaries considers it appropriate that a matter relating to the conduct of a Member should be investigated, such matter may be referred by her or him for consideration as an Allegation under the Disciplinary Scheme; thereafter the matter shall proceed for the purposes of the Disciplinary Scheme as if the Allegation had been made to the Institute and Faculty of Actuaries under rule 5.2 save that the provisions of Part 7 of the Disciplinary Scheme shall not apply.
- 4.22 The following matters shall be made public by the Institute and Faculty of Actuaries as soon as reasonably practicable in accordance with arrangements prescribed by the Disciplinary Board under rule 4.23:
- (a) the making, rescission or variation of an Interim Order;
 - (b) the referral by an Adjudication Panel of matters in a Case Report to a Disciplinary Tribunal Panel under rule 6.4(a)(ii);
 - (c) the determination and, where applicable, any sanction imposed by an Adjudication Panel resulting from the acceptance by a Respondent under rule 6.10 of an invitation by the Adjudication Panel under rule 6.6;
 - (d) any final determination of a Disciplinary Tribunal Panel; and
 - (e) any final determination of an Appeal Tribunal Panel.
- 4.23 The Disciplinary Board shall prescribe such arrangements as it thinks fit for the manner in which the following shall be published as soon as reasonably practicable:
- (a) determinations of an Adjudication Panel to refer to a Disciplinary Tribunal Panel or, to find Misconduct, and, where relevant, to reprimand, fine or require the completion of a period of education, retraining and/or supervised practice;
 - (b) the election by the Respondent to refer a matter to a Disciplinary Tribunal Panel under rule 5.18;
-

- (c) Interim Orders and the rescission or variation of those orders;
 - (d) determinations (with reasons) of a Disciplinary Tribunal Panel and Appeal Tribunal Panel;
 - (e) referrals to a Disciplinary Tribunal Panel and Appeal Tribunal Panel;
 - (f) date(s) and place of any public hearings to be held under the Disciplinary Scheme.
- 4.24 The following arrangements shall apply in respect of Members who are resident and/or practising outside the UK:
- (a) The Disciplinary Board may prescribe such arrangements as it sees fit for the implementation under the Disciplinary Scheme of any disciplinary determination imposed on a Member by her/his Primary Professional Regulator.
 - (b) The Disciplinary Board may prescribe such arrangements for investigation and determination of Allegations against all other Members who are resident and/or practising outside the UK as seem appropriate under the circumstances to accord as nearly as possible with the Disciplinary Scheme.
- 4.25 Save where fairness requires otherwise, any hearing or meeting of an Interim Orders Panel, an Adjudication Panel, a Disciplinary Tribunal Panel or an Appeal Tribunal Panel can deal with Allegations, Case Reports or Charges involving one or more Respondents and for such purpose appropriate directions may be given under rule 3.5.

5. Investigation stage

Allegations and assignment for investigation

- 5.1 For the avoidance of doubt, the applicability of this Part 5 is subject to Part 13 of the Disciplinary Scheme (The FRC), which provides for certain circumstances in which action under the Disciplinary Scheme may require to be suspended or to cease.
- 5.2 Every Allegation received by the Institute and Faculty of Actuaries shall be referred by the Case Manager to the Chair of the Pool of Investigation Actuaries.
- 5.3 The Chair of the Pool of Investigation Actuaries shall assign one or more Investigation Actuaries to assist the Case Manager in investigating the Allegation and to provide such advice as is required. The Chair of the Pool of Investigation Actuaries shall not however proceed under this rule unless she/he has first considered whether it is appropriate in the circumstances to make a referral for consideration by the Conduct Committee and to proceed under rule 13.6 of the Disciplinary Scheme.
- 5.4 As soon as reasonably practicable upon an assignment under rule 5.3, the Case Manager shall send to the Respondent:
- (a) a copy of the Allegation;
 - (b) a copy of the Disciplinary Scheme;
 - (c) the name of the Investigation Actuary; and
 - (d) the name and contact details of the Case Manager.
- 5.5 In making an assignment under rule 5.3, or at any time thereafter, the Chair of the Pool of Investigation Actuaries may assign the Allegation to more than one member of the Pool of Investigation Actuaries to assist the Case Manager in investigating the Allegation and, if so, shall nominate one of the Investigation Actuaries as Lead Investigation Actuary.
- 5.6 The Chair of the Pool of Investigation Actuaries may at any time replace any member serving as an Investigation Actuary with another member of the Pool of Investigation Actuaries or change the nomination of who shall be Lead Investigation Actuary.
-

Disciplinary Investigations

- 5.7 (a) The Allegation shall form the basis of the investigation by the Institute and Faculty of Actuaries into the alleged Misconduct.
- (b) In addition the investigation:
- (i) may take into account any additional conduct of the Respondent which might constitute Misconduct which comes to the notice of the Case Manager and/or the Investigation Actuary during the investigation; and/or
 - (ii) may be conducted in conjunction with the investigation of any other Allegation being undertaken under the Disciplinary Scheme relating to the Respondent.
- 5.8 The Case Manager may:
- (a) appoint a Member, a solicitor or other person or persons to carry out enquiries on the Institute and Faculty of Actuaries' behalf; and/or
 - (b) instruct a barrister, advocate or solicitor to assist in the preparation of the Case Report and/or application for an Interim Order and/or Charge, to present the application to an Interim Orders Panel under rule 5.33 and/or to present the Charge to the Disciplinary Tribunal Panel and/or to the Appeal Tribunal Panel.
- 5.9 The Case Manager may seek and receive from the person making the Allegation and/or any other person such information as she/he thinks proper.
- 5.10 The Case Manager may interview any Member, the person making the Allegation, the Respondent and/or any other individual. Neither the Respondent nor her/his representatives shall be present during any interview or meeting arranged with any other person unless in her/his discretion the Case Manager consents thereto. The Investigation Actuary may, however, elect to be present.
- 5.11 The Case Manager and the Investigation Actuary shall have the power:
- (a) to require copies or originals of any documents relevant to the investigation from any Member (whether or not such Member is the subject of the investigation);
 - (b) to require any further information from any Member relating to the subject matter of the investigation;
 - (c) to require any Member (whether or not such Member is the subject of the investigation) to attend before them (and/or such other persons as they may designate) at a specified time and place to answer questions or otherwise furnish information with respect to any matter relevant to the investigation;
 - (d) to accept written undertakings from the Respondent as they deem necessary in accordance with guidelines issued by the Disciplinary Board under rule 2.41(i); and
 - (e) to take any legal or other expert advice as to any matter relevant to the subject matter of the investigation.
- 5.12 The failure by the Respondent to comply with any undertaking accepted under rule 5.11(d) shall amount to *prima facie* evidence of Misconduct.

Expedited procedure for certain matters

- 5.13 (a) Where at any stage prior to the consideration of an Allegation by the Adjudication Panel, the Case Manager and Investigation Actuary consider that the issues raised by the Allegation are such that it is in the interests of the public and/or of the profession to refer the Allegation directly for consideration by a Disciplinary Tribunal Panel, they shall proceed in accordance with this rule. The Case Manager and Investigation Actuary
-

shall not however proceed under this rule unless they have first considered whether it is appropriate in the circumstances to make a referral for consideration by the Conduct Committee and to proceed under rule 13.10 of the Disciplinary Scheme.

- (b) In a case to which paragraph (a) of this rule 5.13 applies, the Case Manager shall notify the Respondent that the Case Manager and Investigation Actuary are inclined to refer the Allegation directly for consideration by a Disciplinary Tribunal Panel, in accordance with the provisions of this rule. The Respondent shall be asked to confirm in writing within 21 days whether she/he agrees to the Allegation being so referred. If the Respondent does so agree, the Case Manager shall notify the secretary to the Disciplinary Tribunal and the matter shall proceed directly to be heard by a Disciplinary Tribunal Panel in accordance with Part 8 of the Disciplinary Scheme. In that case, a Case Report shall not be prepared and the Case Manager shall proceed directly to prepare a Charge in accordance with rules 6.16 to 6.18 and Parts 6 and 7 of the Disciplinary Scheme shall otherwise not apply.
- (c) If the Respondent does not agree to the matter being referred directly to a Disciplinary Tribunal Panel, the matter may only be so referred at the discretion of the Convener of Adjudication Panels, to whom written application may be made for this purpose by the Case Manager. The Respondent shall be provided by the Case Manager with a copy of any such application and accorded reasonable opportunity to make written submission in response to the Convener of Adjudication Panels.
- (d) The Convener of Adjudication Panels shall, having considered the application and any submission from the Respondent under paragraph (c), and having taken account of the factors set out in paragraph (g) of this rule 5.13, direct the Case Manager whether or not to refer the matter directly to a hearing of the Disciplinary Tribunal Panel.
- (e) In the event that the Convener of Adjudication Panels directs the Case Manager to refer the matter directly to the Disciplinary Tribunal Panel, the secretary to the Adjudication Panel shall notify the following in writing of this decision, which shall be final:
 - (i) the person who made the Allegation;
 - (ii) the Respondent;
 - (iii) the Case Manager;
 - (iv) the Disciplinary Board;
 - (v) the Institute and Faculty of Actuaries;

and the matter shall proceed directly to be heard by a Disciplinary Tribunal Panel in accordance with Part 8 of the Disciplinary Scheme. In that case, a Case Report shall not be prepared and the Case Manager shall proceed directly to prepare a Charge in accordance with rules 6.16 to 6.18 and Parts 6 and 7 of the Disciplinary Scheme shall otherwise not apply.

- (f) In the event that the Convener of Adjudication Panels does not direct the Case Manager to refer the matter directly to the Disciplinary Tribunal Panel, the Case Manager shall proceed to prepare a Case Report in accordance with Part 5 of the Disciplinary Scheme and, subject to the Respondent's right of election under rule 5.18, the matter shall be considered by the Adjudication Panel in accordance with the Disciplinary Scheme.
 - (g) The factors to be taken into account, as applicable, by the Convener of Adjudication Panels under paragraph (c) of this rule 5.13 are as follows:
 - (i) whether the Allegation discloses a prima facie case of Misconduct;
-

- (ii) the gravity of the issues raised, including whether the Allegation, if proved, would be likely to give rise to the imposition of sanction at a level exceeding that available to the Adjudication Panel in making an invitation under rule 6.6;
- (iii) the extent to which there is a reasonable prospect of establishing the matters giving rise to the Allegation before a Disciplinary Tribunal Panel;
- (iv) the interests of the public and/or the profession; and
- (v) all other relevant circumstances.

Content of a Case Report

- 5.14 The Case Report shall contain a statement of all the relevant facts that the Case Manager and Investigation Actuary regard as material to whether or not there has been Misconduct.
- 5.15 The Case Report shall contain, but is not limited to, a report on the Allegation received under rule 5.2. The Case Report may contain references to matters which may amount to Misconduct outside the scope of the Allegation, if that alleged Misconduct:
- (a) has come to the attention of the Case Manager and/or the Investigation Actuary in the course of the investigation; and
 - (b) is not or has not been the subject of an Allegation being investigated separately and/or a separate Charge.
- 5.16 The Case Report shall be signed by both the Case Manager and the Investigation Actuary or the Lead Investigation Actuary as the case may be.

Completion of an investigation

- 5.17 The signed Case Report shall be sent to the Respondent by the Case Manager.
- 5.18 The Respondent may, within 14 days of receipt of the Case Report sent under rule 5.17, by written notice to the Case Manager, elect to proceed directly to a Disciplinary Tribunal Panel. If so, Part 6 of the Disciplinary Scheme, save for rules 6.16, 6.17 and 6.18, shall not apply.
- 5.19 Subject to the right of the Respondent to elect to proceed directly to a Disciplinary Tribunal Panel under rule 5.18, the Case Manager shall submit the Case Report to an Adjudication Panel as soon as reasonably practicable after the Case Report has been sent to the Respondent under rule 5.17, and shall invite the Respondent to send, within 14 days of receipt of the Case Report, any comments on the Case Report to the secretary to the Adjudication Panel, for consideration by the Adjudication Panel.

Advisory Reports

- 5.20 The withdrawal, by the person who made it, of an Allegation at any stage prior to the completion of an investigation shall cause the Case Manager and the Investigation Actuary to consider whether to discontinue the investigation forthwith.
- 5.21 Where the Case Manager and the Investigation Actuary consider that the investigation should be so discontinued, they shall prepare an Advisory Report for the Adjudication Panel, setting out, with brief reasons, their recommendation that the investigation should be discontinued. The Case Manager shall submit the Advisory Report to an Adjudication Panel as soon as reasonably practicable.
- 5.22 Where, however, the Case Manager and the Investigation Actuary consider that it is in the interests of the public and/or the profession that the investigation should continue, notwithstanding the withdrawal of the Allegation on which it is based, they shall complete the investigation in accordance with this Part 5 of the Disciplinary Scheme.
-

- 5.23 An Advisory Report may also be submitted to an Adjudication Panel, at the discretion of the Case Manager and the Investigation Actuary, where it appears during the course of an investigation either that an Allegation, if found proven, would not disclose a *prima facie* case of Misconduct or where there is no reasonable prospect of establishing the matters giving rise to the Allegation.
- 5.24 Rules 5.17 to 5.19 of the Disciplinary Scheme shall not apply in relation to the submission to the Adjudication Panel of an Advisory Report.
- 5.25 If, following consideration of an Advisory Report in accordance with rule 6.3, the Adjudication Panel refers the Allegation back to the Case Manager and Investigation Actuary, the investigation shall be resumed, as appropriate, and a Case Report prepared and submitted in accordance with this Part 5 of the Disciplinary Scheme.

Interim Orders

- 5.26 An Interim Order is an order made by an Interim Orders Panel for:
- (a) a period of supervised practice in the terms provided for under rule 2.43; and/or
 - (b) suspension of any Certificate of the Respondent; or
 - (c) suspension of the Respondent from membership of the Institute and Faculty of Actuaries.
- 5.27 An Interim Order shall cease to have effect:
- (a) after six months, or such shorter period as may be specified in the order;
 - (b) on a determination of the Adjudication Panel under rule 6.4(b);
 - (c) on the acceptance by the Respondent of an invitation issued by the Adjudication Panel under rule 6.6;
 - (d) on a determination of the Disciplinary Tribunal Panel; or
 - (e) on a determination of the Interim Orders Panel or the Chair thereof under rule 5.38,
- whichever shall be the sooner, unless the order is renewed by a further hearing of an Interim Orders Panel.
- 5.28 Where there is alleged Misconduct the Case Manager and Investigation Actuary may at any time up to a hearing by the Disciplinary Tribunal Panel submit to an Interim Orders Panel an application for an Interim Order together with the Allegation and/or a Case Report and/or any relevant material in support of the application.
- 5.29 The Respondent shall forthwith be served with written notice of:
- (a) any application to the Interim Orders Panel under rule 5.28, including a copy of the Allegation and any relevant material; and
 - (b) the hearing of the Interim Orders Panel under rule 5.30.

7.11 The determination of the Independent Examiner under rule 7.9 and her/his reasons shall be notified in writing to:

- 14.2 Upon the transfer of a matter under Part 9 of the Disciplinary Scheme, the Capacity for Membership Panel shall consider all of the relevant evidence before it and shall decide whether the facts of the allegations are proven and whether the current capacity of the Respondent to be a Member is materially impaired by reason of illness or other relevant health or medical condition, such impairment being directly relevant to the allegation or charge.

15. Pre Hearing Matters

- 15.1 Where a matter is transferred under Part 9 of the Disciplinary Scheme a Capacity for Membership Panel shall be convened in accordance with rule 9.3.
 - 15.2 The Capacity for Membership Panel may, in accordance with rule 3.5 of these Schemes, receive and consider evidence, including expert medical evidence, presented to it by the Parties. Any such evidence shall be disclosed to the Parties. The Capacity for Membership Panel shall have discretion over what documents it considers admissible as
-

evidence, and what weight to accord evidence accepted as admissible, however the following shall normally be relevant to proceedings under the Capacity for Membership Scheme: the Respondent's medical records, expert medical reports and reports from any medical adviser or health professional involved in the treatment of the Respondent.

15.3 At any stage the Capacity for Membership Panel may appoint a member of the Legal Advisers Pool to assist in any matters of law or procedure. Such adviser may be present at any hearing. Any advice given to the Capacity for Membership Panel must be made available to the Parties, who shall be given the opportunity to comment upon such advice.

Rules 5.26 to 5.42 shall be read accordingly in that light and references to Disciplinary Tribunal Panels, in this context, shall be read as references to the Capacity for Membership Panel.

16.3 Where a Respondent has been made subject to an Interim Order prior to her or his case being transferred to the Capacity for Membership Scheme, the Interim Order shall continue to have effect until such time as any of the events set out in rule 5.27 of the Disciplinary Scheme takes place.

17 Consent Orders

- (b) Rejecting the provisional consent order and directing that the matter should proceed as normal under the Capacity for Membership Scheme; or
- (c) Varying the consent order with the consent of the Parties.

17.7 Nothing in this Part 17 shall delay the convening of a Capacity for Membership Panel to hear a substantive matter under the Capacity for Membership Scheme rules.

18. Hearings

- 18.1 Hearings of the Capacity for Membership Panel shall be in private.
- 18.2 Where a Respondent fails to attend in person or be represented at a hearing, the matter may be heard in the Respondent's absence provided that the Capacity for Membership Panel is satisfied that it is in the interests of justice to do so.

19. Outcomes

- 19.1 After full consideration of all of the relevant evidence before it, the Capacity for Membership Panel will make findings on the facts and the Respondent's current capacity to hold membership and then may direct one or more of the following outcomes:
- (a) No action is appropriate under the Capacity for Membership Scheme;
 - (b) Membership of the Institute and Faculty of Actuaries to be suspended for any period the Capacity for Membership Panel thinks appropriate up to a maximum of two years;
 - (c) Membership of the Institute and Faculty of Actuaries to continue but to have special conditions attached to it for a specified period; or
 - (d) The matter in whole or in part should be considered under the Disciplinary Scheme. In these circumstances the Capacity for Membership Panel shall make any directions that it sees fit.
- 19.2 The decision of the Capacity for Membership Panel shall be communicated to the Respondent and the Institute and Faculty of Actuaries forthwith after the hearing. This shall be done in writing, and shall include a statement of the Capacity for Membership Panel's reasons for the conclusions it has drawn.
- 19.3 The effective date for the purposes of any appeal shall be the date the decision of the Capacity for Membership Panel is served on the Respondent in writing.

- 20.3 The Respondent or the Institute and Faculty of Actuaries may apply to the Judicial Committees Secretary for a review of the suspension, conditions or other order made by the Capacity for Membership Panel under this Part 19 above at any time prior to the expiry of that order, provided that:
- (a) Either Party is able to demonstrate that new information relevant to the substantive order has come to light or that there has been a material change in circumstances that warrants
-

an early review of the order; and

(b) Subject to rule 20.4 below, no review hearing has taken place in the previous 6 months.

20.4 Where there is evidence that the Respondent has failed to comply with the terms of the substantive order made by the Capacity for Membership Panel, the Institute and Faculty of Actuaries shall be entitled to apply to the Judicial Committees Secretary for an early review of the order.

20.5 The Capacity for Membership Panel may not extend an order by more than two years at any time.

20.6 The Capacity for Membership Panel shall give written reasons for its decision.

21. Appeal against the outcome of a Capacity for Membership Panel hearing

21.1 The Respondent may by notice in writing seek leave to appeal against the decision of the Capacity for Membership Panel, such notice to be served upon the Judicial Committees Secretary no later than 28 days after the decision appealed against is deemed served on the Respondent.

21.2 The Chair of the Appeal Tribunal may grant permission to appeal if supportable grounds are made in writing.

21.3 The Notice shall state the grounds of appeal. The grounds so stated may only be amended, reasonable cause having been shown, with the permission of the Appeal Tribunal Panel appointed to decide the appeal. If no such panel has yet been appointed, the Chairman of the Appeal Tribunal shall decide this point.

21.4 The Respondent may appeal on any one or more of the following grounds:

- (a) that the decision of the Capacity for Membership Panel was manifestly unreasonable, or wrong in law; and/or
- (b) that there was injustice because of a serious procedural or other irregularity in the proceedings before the Capacity for Membership Panel; and/or
- (c) that significant and relevant new evidence has come to light which was not previously available to the Respondent and could not have become available to him on the making of reasonable enquiry.

21.5 The procedure and rules for any appeal under the Capacity for Membership Scheme shall otherwise be consistent with the procedure and rules for appeal against a determination of the Disciplinary Tribunal Panel under the Disciplinary Scheme. Rules 11.1 to 11.35 shall be read accordingly in that light and references to Disciplinary Tribunal Panels, in this context, shall be read as references to the Capacity for Membership Panel.

21.6 The Appeal Tribunal Panel shall have discretion to appoint hearings and conduct the appeal in such a manner as it considers appropriate consistent with the principles of natural justice.

21.7 The Appeal Tribunal Panel may decide the appeal by;-

- (a) Refusing the appeal; or
- (b) Granting the appeal in whole or in part, imposing such other decision or directions as it sees fit, provided that such decision or directions are consistent with the powers which would have been available to the Capacity for Membership Panel originally seized of the matter under rule 19.1.
