About the IFoA

Vision

“To serve the public by ensuring that where there is uncertainty of future outcomes, actuaries are trusted and sought after for their valued analysis and authority”

Public Affairs objective

“The Institute and Faculty will seek to do more to inform debate on issues where it can contribute to the quality of public debate and meet its public interest duties”

State of Play - regulatory process

- EU Referendum Bill
- Who can vote?
- When can we vote?

Referendum Question:

“Should the United Kingdom remain a member of the European Union or leave the European Union?”

State of Play – negotiation process

Set of arrangements, which will come into effect if the UK votes to remain in the EU on 23 June

Economic Governance; Those outside the Eurozone

- No discrimination
- No euro bailouts
- Keep own financial supervision / prudential regulation
- Visibility on Eurozone talks
- Differ from “Single Rulebook”
- If UK thinks principles overridden: EU Council debate

Competitiveness

- Continue Single Market integration
- Expand Free Trade Agreements
- “Feasible burden reduction targets in key sectors”
- Examine if legislation is proportionate and at the right level

Sovereignty

- “UK not committed to further political integration”
- “Ever closer union no legal basis
- ‘Red Card’ allowing national parliaments to object legislation

Migration / access to welfare

Emergency break

- UK can restrict EU migrants’ in-work benefits 4 years
- Applicable immediately, for an initial seven years

Child benefits

- Children outside the UK: indexed to local living standard
- All member states are allowed to do this

Out-of-work benefits

- UK can deny access, if they don’t have a job
- Ability to deport migrants if they haven’t found
