GI Board: A Strategy
Workshop D11

Colum D’Auria & Michael Tripp

29 October 2015

The story so far…
Why have a strategy?

Not starting from scratch!

- The IFoA 5-year strategy (commencing in 2011)
- The IFoA values (Integrity, Community etc....)
- The terms of reference of the GI Board
  (http://www.actuaries.org.uk/research-and-resources/documents/gi-board-terms-reference)
- The wider governance structure of the IFoA
  (http://www.actuaries.org.uk/about-us/pages/governance-manual)
#1
To support the IFoA strategy, to uphold its values, abide by its governance and to cooperate with its internal bodies and to uphold the public interest

#2
To support our members in new and diverse career paths, both within general insurance and in wider fields.
#3
To increase our influence in society where we can contribute.

#4
To enthuse our membership to contribute to the profession and to promote engagement.
#5
To remain relevant to our members beyond education and qualification providing high-quality, technical and non-technical CPD.

#6
To continuously align our objectives with members’ interests.
Summary

1. To support the IFoA strategy, to uphold its values, abide by its governance and to cooperate with its internal bodies and to uphold the public interest.

2. To support our members in new and diverse career paths, both within general insurance and in wider fields.

3. To increase our influence in society where we can contribute.

4. To enthuse our membership to contribute to the profession and to promote engagement.

5. To remain relevant to our members beyond education and qualification providing high-quality, technical and non-technical CPD.

6. To continuously align our objectives with members’ interests.
